Georges Khneysser

Founder and Chief Vision Officer
QBIT Capital

« To be surrounded by inspiring, likeminded people, to have the right team that pulls through together - but also to spend a good time and have a laugh at work: all of these are decisive factors in building a company. And that's exactly what I experienced at HeadsQuarter. »

What sets us apart

HeadsQuarter creates a working environment where well-being and productivity are enhanced by exceptional space and uncomplicated service.

Top Downtown Locations

With HeadsQuarter you are always at the best location and have access to meeting and event rooms for various occasions.

Professionalism

At HeadsQuarter, personalized service for your employees and guests, stylish furnishings, and well-maintained premises are all part of our commitment to excellence.

Hotel like services

Happy, motivated, and healthy employees work more productively. Our hotel-like services make this possible. From coffee and snacks to all-day cleaning and terry towels in the gym.

Absolute cost transparency

Our basic price already includes all our extensive services and offers. You can expect no hidden additional costs for the use of the printer or the coffee machine. Even personal IT support is included.
